

**BAY VALLEY**  
CHRISTIAN CHURCH

## **SERVICE GUIDELINES**

1. We encourage anyone of any age that has a compromised immune system to stay at home and watch online.
2. In order to minimize contact, we are asking you to refrain from handshakes, hugs and high-fives.
3. Hand sanitizing stations will be located by all doors. Everyone must sanitize their hands before entering the Worship Center and upon leaving the restroom.
4. Every surface has been deep-cleaned and will be cleaned after each service.
5. We have arranged seating in the Worship Center to allow for appropriate social distancing between rows. Individuals who have not quarantined together will be asked to keep a spacing of 3 chairs between them.
6. We will be worshipping together as families. Children's ministry will be suspended until further notice.
7. Our staff members will be checked for a fever before services, and they will be required to wear masks in the lobby.
8. All team members will wear masks while serving.
9. We encourage you to wear a mask, though once you are in your seat that becomes less critical because of the distance between seats.
10. All of our services will be kept to 1 hour, and sections will be dismissed one at a time to prevent congregating in the lobby and hallways.
11. Reserve your spot ahead of time on the BVCC app or website. Seating is limited and reservations are required.
12. We will continue to live stream all of our services for those who are unable to attend or who chose to continue to worship from home. We want you safe and well.
